

The image features a teal-colored rectangular area with rounded corners, centered on a white background. The background is decorated with a pattern of various colored circles (polka dots) in shades of teal, maroon, and light purple. Some of these circles have a white polka-dot pattern inside them. The word "Allegra" is written in a large, white, cursive script font with a slight 3D effect. Below it, the words "Soft & Strong" are written in a smaller, white, sans-serif font.
